## TRAFFIC ADVISORY

6<sup>th</sup> Street between Monroe and Adams Streets will be reduced to one lane of traffic starting Monday, July 11<sup>th</sup>, to facilitate the installation of cross walks at the intersection of 6<sup>th</sup> and Adams Street. This work is expected to last one day, weather permitting. The Motorists should use caution through this area and use alternate routes to avoid the area during heavy traffic times if possible.

And, northbound lanes of Chatham Road between Reed and Iles Avenue will be closed to traffic starting Tuesday, July 12<sup>th</sup>, to facilitate core drilling on the northbound pavement. Two-way traffic will be maintained on the southbound lanes. This closure will last two days, weather permitting.

On Thursday, July 14<sup>th</sup>, the southbound lanes will be closed, to facilitate core drilling on the southbound pavement. Two-way traffic will be maintained on the northbound lanes. This closure will last only one day, weather permitting.

Motorists should drive with caution through this area and avoid the area during heavy traffic times if possible.
