## DOWNTOWN SPRINGFIELD

---

Springfield is the Capital of Illinois, the county seat of Sangamon County, and the 6th most populous city in Illinois. It is located in central Illinois and is accessed by Interstate 55 and 72. It is approximately 202 miles southwest of Chicago and 92 miles northeast of St. Louis, MO. The historic US Route 66 crosses Illinois from Chicago to East St. Louis, which includes Springfield. Also, it is the hometown of President Abraham Lincoln, whose life and activities drive tourism. The Abraham Lincoln Presidential Library and Museum Complex adds to the annual tourism traffic. Further, Springfield is home to the University of Illinois at Springfield (UIS), one of three universities in the U of I system with 1,642 employees and 2,503 enrolled students, the Southern Illinois (SIU) School of Medicine, and Lincoln Land Community College.

Strategically located along Adams Street, the Subject Property benefits from strong foot traffic and visibility within the popular “Adams Street Family” business district. It sits directly along the route of the award-winning Old Capitol Farmers Market that has drawn consistent seasonal and weekend traffic since 1999. Downtown Springfield offers a dynamic mix of tourism and local activity, anchored by major attractions such as the Abraham Lincoln Presidential Library & Museum, Lincoln Home National Historic Site, and the Old State Capitol. The area is further enhanced by a growing arts and entertainment scene, courtesy of the Hoogland Center for the Arts, Levitt AMP Springfield Music Series, and Pharmacy Gallery among others.

Currently, Downtown Springfield has several economic development and capital improvements projects underway. The **Springfield Rail Improvements Project** will relocate passenger and freight traffic from the Third Street corridor to Tenth Street and construct grade separations (roadway underpasses and one overpass) at the critical rail crossings on both the Tenth and Nineteenth Street corridors. This will create a green space along the Third Street corridor that would direct benefit the Subject Property. The **Springfield-Sangamon County Transportation Center** will combine SMTD buses, Amtrak, intercity buses, paratransit vehicles, and taxis at one location with an adjacent parking garage. The **Old State Capitol** will have an underground parking garage and conference center and a two-level visitor center as part of a \$224 million renovation. Other updates include wheelchair accessibility, heating and cooling systems, plumbing and ventilation. The **Downtown and Medical District Master Plan** implementation is underway after the City passed it in 2025. This long-term strategic framework will prioritize mobility (pedestrian, bike, and parking), activate underutilized spaces, and integrate Downtown and the adjacent Medical District to spur economic activity, mixed-use development, and attract private investment. The potential \$200M expansion of the **BoS Convention Center with an adjacent hotel**, if passed, would significantly increase visitors, drive higher tourism spending, and allow for larger conventions and events that Downtown intends to have.
